MISSION

To achieve excellence in all disciplines of engineering & technology education and research in the conventional as well as newly emerging areas keeping in view the EQUITY and INCLUSION by providing access to deserving students from all sections of society particularly the underprivileged and economically disadvantaged.

VISION

To impart fundamentals of engineering and technology education and their application to all-round development of the country and to inculcate ethics and characters in the student community.

GENESIS

Bhubaneswar College of Engineering (BCE) started in the year 2011 with the approval of AICTE and by the affiliation of Biju Patnaik University of Technology (BPUT), Odisha. The college is the brain child of our Chairman, Sri Pradyut Kumar Balabantaray, who is a technocrat with engineering degree from BIT, Sindri & MBA from Xavier Institute of Management, Bhubaneswar. He has the experience of 30 years in promoting Micro, Small and Medium Enterprises (MSMEs) in the state of Odisha. His aim is to make this institution of international standard.

Bhubaneswar College of Engineering reached 7th year of its existence and three batches of its students have successfully completed their courses from the college and have been employed in different organizations.
